

***Practical Challenges w.r.t movement of goods  
including E Way bills and Penalties***

**Date: 28<sup>th</sup> December 2018, Friday.**

Though the concept of way bills is not new to the tax payers, there are many new additions and amendments to the said concept under GST. Moving goods for Imports/Exports, by way of CKD/SKD, Multimodal transportation, Bill from/Ship from & Bill to/Ship to etc., and their compliance related to E Way bills is still not clear in the industry. The department has started seizing vehicles and demanding taxes & penalties for non compliance of the same.

Hence we are taking an initiative to conduct a seminar on the topic ***“Practical challenges w.r.t. movement of goods including Eway bills and penalties”*** to discuss on challenges in generation of E-way bill in certain cases, various updates/changes in E Way bill portal and procedure to be followed when vehicles are detained etc.,
