Practical challenges & issues in E Way bills and changes in E-way bill portal

[Date: 8th February 2019, Friday]

Though the concept of way bills is not new to tax payers, there are many new additions and amendments to the said concept under GST. Moving goods for Imports/Exports, by way of CKD/SKD, Multimodal transportation, Bill from/Ship from & Bill to/Ship to etc., and their compliance related to E Way bills is still not clear in the industry. The department has started seizing vehicles and demanding taxes & penalties for non compliance of the same.

Hence we are taking an initiative to conduct a seminar on the topic ***“Practical Challenges & issues in E Way bills and changes in E way bill portal”*** to discuss on challenges in generation of E-way bill in certain cases, various updates/changes in E-Way bill portal and procedure to be followed when vehicles are detained etc.
