

Seminar on Recent Changes/Amendments in GST

Date: 19th October 2019, Saturday

(Time 3.15 PM to 6.15 PM)

Several developments have taken place in the GST Law since implementation of GST Amendment Act in February 2019. In the recent past, there have been enormous notifications, circulars, advance rulings, courts pronouncements and updation of various features on the GST common portal which has made it difficult to understand the implication and then implementation of all such amendments/changes.

In order to have a quick and easy grasp of all such changes/amendments and for its smooth implementation across the organisation, Hiregange & Associates, Chartered Accountants are organising a training session of 3 hours to discuss these amendments/changes. The discussion is primarily aimed to cover below:

- *Analysis of amendments made in GST Act w.e.f. 1.2.2019*
- *Amendments in the CGST Rules*
- *Understanding new Notifications issued*
- *Understanding impact of circulars and withdrawal thereof*
- *Important judgments by Courts and Advance Rulings*
- *Amendments in the Customs having impact on GST*
- *GST portal features updation*

The session would be followed up with the resolution of queries of the participants.

Registration Details : *Participation in the training session is only for the clients of Hiregange & Associates and other Chartered Accountants by invitation only. There is no participation fees for the session.*

Venue : *4th Floor, Plot no. 149, Sector 44, Gurugram*
